REMEMBERING OUR ROTARIAN

This year's Houlton Rotary Radio & TV Auction is dedicated to the memory of Robert "Bob" Blanchette who passed away December 4, 2025 - just about a week after last year's 70th annual auction and 5 days after his 83rd birthday.

Bob was a Rotarian for nearly 60 years. He was recognized in 1990 as a Paul Harris Fellow. In 2021, he received the Lifetime Achievement Award from the club.

Bob had remarked during the 70th annual auction that he had been involved with the auction for approximately 65 of those years – first through his employment at WHOU and later as a Rotarian himself.

In the early years of the auction, there would be tables of Rotarians on typewriters compiling each period's list of successful bidders and calculating the event's statistics. During the 1980's, Bob single handedly brought the auction into the computer age. He wrote and maintained a database to keep track of all the items. The program tracked our donors, Rotarians and successful bidders. He formatted the information on the items for the auction supplement. He would track statistics year after year comparing period results from one year against the next. There were many times over the years that Bob would be asked if his database could perform some task or provide some specific information. If it couldn't, he would usually say "no, but it will be able to tomorrow". Then, after working at the auction, often until close to midnight, he would go home and update the database so it could do what was asked. Bob spent an unquantifiable number of hours on making the Rotary Auction a success. For many years he handled the setup of the phones and internet access. He printed off the certificates used in the storeroom. He was a trouble shooter and was rarely stumped by any problem that arose.

Bob Blanchette

And, while doing all of this behind-the scenes work, he also found time to make his "Incredible Edible Fudge" which was often the object of bidding wars and raised a great deal of money for the club.

Bob's family was always a part of the auction with relatives stopping by to visit during the broadcast while others were home bidding … and trying to get that fudge. Bob's twin grandsons Andy & Chris were fixtures for many years sitting at the table with Bob & Nancy, helping to file away the bidding slips after each period. It should be noted that Andy & Chris are teaming up this year to make "Bob's Incredible Edible Fudge" for this year's auction so bidders will still have a chance to get this sweet treat. We appreciate their keeping up this special tradition.

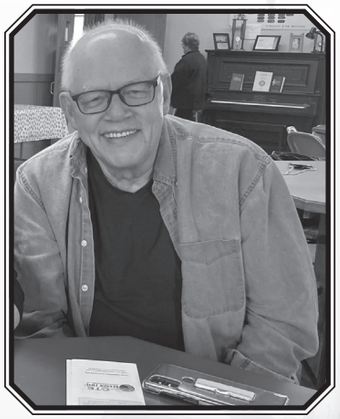

In addition to the auction, Bob helped with Rotary Radio Days in their first incarnation. Bob's service also extended beyond Rotary. He was a founding member of the Houlton Jaycees helping to get that organization started in the 60's and staying involved until, as he put it, he aged out. He assisted the Greater Houlton Chamber of Commerce during the 80's and 90's including writing a business listing database for the organization. Bob worked 33 years at WHOU where he served as a DJ, program director, sports announcer, salesman, copywriter, part-time engineer and anything else that needed to be done. He ran his own computer business – Computer Assist – and then spent 16 years as the network administrator for Houlton Regional Hospital before retiring.

Bob was most proud of his family. He was the third son of nine. He was married to the love of his life, Mary (Henderson) Blanchette for 58 years, taking such good care of her before her passing. Bob & Mary had 2 children. His daughter Deborah Ropple and her husband Edward live in Vermont. His son Peter Blanchette and his wife Rhonda live in Houlton. He also had grandchildren Andrew, Christopher, Benjamin and Edward.

There are several new technologies being incorporated into this year's auction which Bob would have loved. We wish he was here to be part of it all. It will be his good nature, generosity, his smile and his famous hugs that will be missed from the 71st Auction. We'll be thinking of you Bob!

ROTARY TRAILHEAD PROJECT

The Houlton Rotary Club is planning an exciting new Trailhead Project to benefit the area. This will be a multi-year project to bring to fruition and has been in the works since 2024. The club has secured a land donation for the site of the trailhead. This will be a place where locals and visitors can park, then access and ride the area's ATV and snowmobiling trails.

The club was recently awarded a $150,000 grant from the Maine Office of Tourism. This will take this project to the next level by allowing for engineering and site preparation work to be done.

The club has set up a sub-committee with Past Presidents Josh McLaughlin, Scott White and Matt Nightingale as Co-Chairs. We have also included local individuals and organizations to provide valuable input on the project. Those interested in making donations specifically for this project may do so during the Auction. See the information on the back page of this supplement for more information.

RYLA

The Houlton Rotary Club sponsored three young professionals for the Rotary Youth Leadership Awards - RYLA - earlier this fall. Pictured, Ruba Hadda, Rotarian RYLA Advisor; Emilee Shaw, Rotarian & RYLA participant; Hope Royal, RYLA participant; Matt Belyear, Rotarian & RYLA participant; and Johanna Johnston, Rotary President. The program helps build leadership skills for young adults ages 18-30. The trio attended a weekend program in Caratunk.

THE HEALTH SERVICES FOUNDATION WISHES TO:

THANK YOU. THANK YOU FOR CARING ABOUT THE HEALTH OF YOUR FELLOW COMMUNITY MEMBERS. THANK YOU FOR YOUR OVERWHELMING GENEROSITY AND SUPPORT EACH YEAR DURING THE HOULTON ROTARY AUCTION WITH AN INVESTMENT IN THE BOY WITH THE LEAKING BOOT.

You may wonder what kind of a difference your investment makes. To-date, over **$3.7 MILLION** in funding assistance has gone to our local hospital, nonprofit healthcare providers and organizations for critically needed medical equipment, educational programs, services, technology upgrades and health and safety devices. Already this year, over $130,000 has been given to supply critical needs.

The Boy and Boot Endowment Fund

- Established in partnership with the Houlton Rotary Club and the Health Services Foundation in 1983 and remains a significant and growing funding source today.
- 500 Miniature Pewter Boy and the Boot Statues were commissioned by the Rotary Club each one numbered, and then the mold was broken.
- Your $1,000 pledge for a numbered Pewter Boy and the Boot Statue represents an investment: a legacy of your commitment to the healthcare needs of your community. A new concourse donor wall is being designed to feature our community of generous donors.
- **Only 21 statues remain to be sold!**

RING THE BELL AT THE AUCTION WITH YOUR BOY AND THE BOOT PLEDGE!

Payment options are available for your convenience.
